

CHAYIL PBC | 2024 Annual Report

Message from the CEO

I am delighted to present an overview of the strengths and opportunities that CHAYIL Public Benefit Corporation encountered in 2024. This annual report showcases our unwavering dedication and determination in pursuing our mission to empower women globally.

The report provides comprehensive insights into both our financial performance and the social impact of our endeavors. Throughout the year, our team has consistently leveraged all available resources to effectively reach and equip individuals within our communities. We cordially invite you to explore CHAYIL PBC and witness the transformative work we are undertaking.

Vision Statement

Our vision is to empower women ages 25-55 to advance in their stage of life and reach their full potential. By providing them with resources, coaching, and opportunities, we aim to cultivate a global network of women who are confident, capable, and prepared to drive meaningful change.

Mission Statement

CHAYIL PBC provides professional development and coaching for women, empowering them to reach their full potential. Through conferences, speaking engagements, group coaching, and curated resources, we support women individually and collectively on their journeys to success.

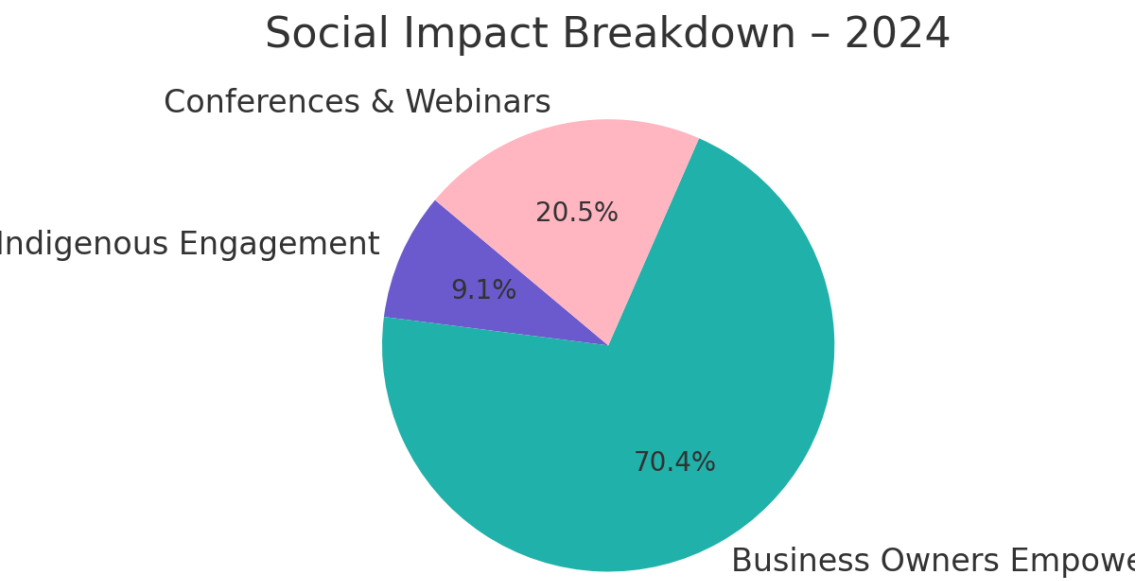

Social Impact Highlights

In 2024, CHAYIL PBC made significant strides in creating positive change. Our initiatives included leadership development, education, spiritual growth, and economic empowerment. We saw remarkable engagement through our mentorship programs, discipleship groups, and business
